

Anders Consulting & Cie GmbH – Representative office in Skopje
Join Our Team as a Junior Research Analyst in Skopje

Are you ready to kickstart your career in market research and analysis?

Anders Consulting & Cie GmbH is seeking dynamic individuals to join our Skopje office as Junior Research Analysts. If you have a passion for digging deep into data, a knack for detail, and a drive for professional growth, this opportunity is for you!

WE OFFER:

Supportive Environment: Work alongside a professional team dedicated to your success, with comprehensive training provided to sharpen your skills.

Flexible Schedule: Enjoy the flexibility of working hours that suit your lifestyle, allowing for a healthy work-life balance.

Opportunity for Learning: Participate in company-organized training sessions to enhance your expertise and stay ahead in the field.

YOUR TASKS:

- Conduct thorough market research on the tax market in Germany
- Improve and manage our internal database with precision, ensuring accuracy and efficiency in data handling
- Entering all relevant collected data for candidates and companies into our database
- Maintain constant communication and reporting with colleagues in Germany, fostering a seamless workflow.

WHAT WE REQUIRE:

- University degree
- Exhibit fluency in English, enabling effective communication within our international team
- Team player
- Positive personality with a desire for growth and progress
