

# We want you!

## Senior PHP Lead Developer (TYPO3)

You want to be part of a newly founded team in Skopje, which works closely with its sister company in Munich, Germany? You want to work on exciting projects and use modern tools and technology like Composer, Docker, Jenkins, Git, Gulp, Grunt and Bower? You like working professionally in a team of web developers which takes DevOps and Scrum seriously, works agile and develops constantly? Our company is the right place for you!

SNK is a unique digital agency as we combine highest standards with a family atmosphere working culture and deep experience with fresh curiosity. We are a team of 100+ colleagues, owner-run and fully digital. For our teams in Skopje and Munich we're looking for motivated and talented PHP Developers (TYPO3).

### You must:

- Strongly interested in learning the TYPO3 technology
- Willing to master the TYPO3 technology and to become a mentor for new colleagues in the future
- Ready to be in a leading position and to build up your own TYPO3 team
- Willing to work at our offices in Munich occasionally
- A highly proactive person and you like to communicate on daily basis with the TYPO3 Teams in Munich

### Your expertise:

- Skilled PHP developer and good knowledge of OOP concepts
- At least 5 years of work experience
- Experience with Content Management Systems
- Detailed knowledge of backend development
- Comfortable with SQL
- Self-organized person with strong communication skills and remote work experience

### Optionally:

- Docker or any other virtualization tool
- Jenkins or any other CI/CD tool

### What we offer:

- Exciting projects for international clients
- Personal career development incentives
- State of the art hardware
- Private health insurance
- Work in our beautiful offices in central Skopje and Munich – while earning an attractive salary
- Fitness activities

### Are you interested?

We're looking forward to your application!
