

The pharmaceutical company VIATRIS seeks qualified and motivated candidates for position of:

Medical Representative

Key responsibilities for this role include:

- Representation of Viatris in a professional manner that aligns with company image, ensuring activities comply with legal and ethical standards
- Implementation of marketing program activities
- Developing a trustful long-term partnership with the company clients
- Monitoring market trends and activities in assigned territory and provide feedback and insights to the manager
- Organization and execution of local seminars and workshops for HCPs (as per plan)
- Timely, accurate and detailed activity reporting
- Monitor new developments in the medical field to determine the effect of those developments on company business strategies

The minimum qualifications for this role are:

- University degree (Medicine, Pharmacy, Dentistry)
- Work experience on similar position in pharmaceutical industry
- Great planning and organizational skills
- Excellent communication and negotiation skills
- Fluent English knowledge
- PC literacy
- Driving license with driving experience

If you consider the advertised position to be a good opportunity for your professional development, please send a motivation letter and professional biography (CV) no later than September 09, 2024, to the following e-mail address: elena.bonevska@viatris.com. Documents will be considered in full discretion.

Only shortlisted applications will be contacted.

Looking forward for your applications!
