

Call for CVs:

Resonance is an innovative international development firm based in the United States that implements projects for donor, commercial, and investor clients globally to create lasting social impact. We are currently seeking qualified technical experts and professionals to propose for an upcoming four-year USAID-funded project focused on solidifying government capacity to best mobilize resources across North Macedonia. The purpose of this activity is to build the capacity of central and local government units to develop and secure funding for investment projects, contributing to the goal of increased national and local government capacity to mobilize resources and deliver basic services. We are seeking candidates for the positions below. If interested, please email an expression of interest (CV and cover letter)

dcardozo@resonanceglobal.com

- **Deputy Chief of Party (DCOP)**
 - 10+ years of experience
 - 5+ years of field experience working in one or more developing countries, preferably North Macedonia and other South-East European countries
 - Success as a USAID Chief of Party, Deputy Chief of Party, or senior project operations manager
 - Demonstrated experience in domestic resource mobilization, tax administration, project financing, budget formulation, budget execution, and accountability and transparency at the local and national government level
 - Ability and interest to live and work in Skopje, North Macedonia
 - Bachelor's degree in business, international affairs, international development, public administration or related field. Master's degree strongly preferred
