SCHOENE neUe KINDer

Angular Developer (male/female)

You want to be part of a newly founded team in Skopje, which works closely together with its sister company in Munich, Germany? You want to work on exciting projects and use modern tools and technology like Composer, Docker, Jenkins, Git, Gulp, Grunt and Bower? You like professionally working in a team of web developers which takes DevOps and Scrum seriously, works agile and constantly develops? Our company is the right place for you!

SNK is a unique digital agency as we combine highest standards with a family atmosphere working culture and deep experience with fresh curiosity. We are a team of 100+ colleagues, owner-run and fully digital. For our teams in Skopje and Munich we're looking for motivated and talented Frontend Developers.

Your Expertise:
- Bachelor's or Master's degree in computer science or a similar field of study
- At least 3 years working experience as a software developer
- Good knowledge of programming (C#, Visual Studio, SQL Server, .NET, AngularJS / Angular2, Angular4)
- Experience with agile methodologies like Scrum or Kanban
- Very good English language skills

What we offer:
- Exiting projects for international clients
- Personal career development incentives
- State of the art hardware
- Work in our beautiful offices in central Skopje and Munich – while earning an attractive salary

Are you interested?
We're looking forward to your application!
