We are looking for a Software Developer to join our team in SKOPJE.

Quipu is an IT consultancy and software development company, which provides comprehensive end-to-end solutions for banks and financial institutions, from electronic payments to software systems. We are a 100% subsidiary of ProCredit Holding, the parent company of a group of banks that specialize in providing financial services for SMEs.

Headquartered in Frankfurt, Germany, we are currently operating from 8 regional offices around the world - in El Salvador, Ecuador, Ghana, North Macedonia, Kosovo, Ukraine, Russia and Romania - enabling us to promptly address the needs of a global customer base.

As an international organisation, we value diversity and we are dedicated to a culture of growth and innovation, creating an environment where everyone has the opportunity to develop their skills and fulfil their potential.

What your key responsibilities will be:

- Development, implementation and maintenance of software solutions in accordance with company standards and policies
- Take active part in all project stages – analysis, estimation, documentation, coding, bug fixing and support
- Ensure the quality of the solutions developed by following standards and best practices

Skills and experience we expect from you:

- Bachelor's Degree in computer science
- Experience in MSSQL and T-SQL code
- Experience in .NET and C#
- Excellent communication and team-working skills

- Design patterns and understanding of object-oriented principles will be considered an advantage
- Demonstrate strong written, verbal, and interpersonal communications skills
- Demonstrate attention to detail and time management skills
- Internal drive to learn, improve, succeed and share the knowledge
- Knowledge of banking business is a plus

What we offer:

- Excellent team-oriented, dynamic and international working environment
- Challenging, engaging and varied tasks
- Personal and technical skills development with certified trainings
- Modern workspace close to Skopje City Park
- Travel possibilities
- 25 paid vacation days
- Private health insurance
- Free parking space

If you see yourself in this role, let us know in an e-mail, we would like to get to know you.
