

Job description

Position: Industrial and Logistic Space

About the company

Forton Macedonia is a premium consultancy company with main focus on commercial real estate. We are a subsidiary of Forton International and Bulgaria's largest real estate holding company AG Capital and an Alliance Partner of Cushman & Wakefield, the world's largest privately owned real estate advisory firm, for Bulgaria, Serbia, Macedonia and Kosovo. Our alliance with Cushman & Wakefield contributes to the successful blend of local real estate insight and experience with international expertise. So is Cushman & Wakefield our gateway to investors in more than 60 countries all over the world. We employ this hands-on experience to add value to our clients' real estate projects and developments.
