

PRODUCTION PLANNER

LEAR Tetovo, Macedonia

Lear Corporation is a Fortune 500 company that designs, engineers and manufactures world-class products. We provide complete seating and electrical power management systems worldwide. In our Plant in Tetovo, we have currently open position for Production Planner.

Job Responsibilities:

- Production Scheduling: Developing and maintaining production schedules based on customer orders, production capacity, and inventory level
- Demand Forecasting: Analyzing sales and demand data to forecast future production requirements.
- Inventory Management: Monitoring and managing inventory levels to avoid shortages or excesses. This involves tracking inventory levels, initiating production orders as needed, and coordinating with procurement and warehouse teams to optimize stock levels.
- Production Monitoring: Monitoring production processes to ensure they are running smoothly and according to plan. This includes tracking production metrics, identifying bottlenecks or issues, and taking corrective actions to minimize disruptions and delays.

Job Requirements:

- Technical university Degree (Faculty of Mechanical Engineering preferred)
- Previous experience in automotive industry on same position
- Foreign Languages: English (working proficiency),
- Advanced computer skills (MS Excel, MS Project, Power Point, AutoCAD)
- Previous experience in automotive industry
- Ability to be adaptable and flexible in a constantly changing environment.

Please submit your CV to lear.macedonia@lear.com no later than **12 June 2023**.
